Dear President Steger:

The Council for Accreditation of Counseling and Related Educational Programs (CACREP) met October 14-16, 2002, for the purpose of rendering accreditation decisions. At this meeting, the Board reviewed materials submitted by the Department of Educational Leadership and Policy Studies at Virginia Polytechnic Institute and State University to support its request for removal of the two year conditional status placed on the Community Counseling, School Counseling, and Counselor Education and Supervision programs.

Based on the Board's review, a decision was made to remove the conditions and to extend the accredited status of these programs through June 30, 2007.

Once again, the Board extends its thanks to you and your administration for the support given to this faculty in maintaining the accredited status of these programs.

Sincerely,

Carol L. Bobby, Ph.D.  
Executive Director
